

Driver Approval Request

This form may be used in conjunction with the TTUS Vehicle Operator System to request approved driver status.

In order to drive TTUS owned, leased, loaned, or rented vehicles, you must read the following information, sign the form, and attach a clear photocopy of your current, valid driver's license. Return the information to your Department Contact Manager approval submission. Please allow 12 to 14 working days for processing.

I am aware that consumer and driver license record checks may be obtained as part of TTUS evaluation of my job application or employment. These records may be procured by TTUS or its insurance company representative(s) and may include personal information obtained from the appropriate state driver licensing agency and my driving record, to be used in an assessment of my qualification as an approved driver.

By signing this letter, I hereby provide my authorization for TTUS or their insurance company representative(s) to procure such information and reports, as well as additional reports about me from time-to-time as deemed appropriate, to evaluate my continued approved driver status.
