‹   All students enrolled in a program, on campus or online, that has clinical requirements
must maintain health insurance coverage. Though the Graduate School of Biomedical

To enroll in the Student Health Insurance Plan:

1. Go to https://ttuhsc.myahpcare.com/enrollment.
2. Click the "Click Here to Enroll" link under your student classification.
3. If you have not created an account, click Register to establish a username and password. Otherwise, sign in with your existing username and password.
4. Continue to fill out the form until complete.
5. You are also given the option to add dependents during the enrollment process.

It is important to note that the premium charge WILL NOT be posted on the student's tuition and fee bill from TTUHSC. The Student Health Insurance Plan premium charge will be   to the student. Students must adhere to the billing deadlines and guidelines of the Student Health Insurance Plan.

Students who do not wish to retain the Student Health Insurance Plan must file an online
