I decided to stay here because the Health Sciences Center was the best that advertising their school.

How does it feel to be involved in the scrub party parade?

03:01

I think it's really just a blessing that they're working so hard and diligently to have the celebration scheduled for us, even though we could have just had nothing but to know that they're working hard for us this past summer and short notice of the pandemic. I think that's really an honor.

How will you feel after receiving your items from the parade?

03:24

It'll definitely feel surreal to be able to have a stethoscope for the first time to have the white coat, have
