## What is your role on the leadership team?

00:06

I'm the student liaison for all of 2021. So essentially, that means that I'm responsible for connecting our clinic personnel, our volunteers, especially to our doctors, to the community, to our partners, I kind of manage communication in and out of the clinic. So that's kind of my main role. I communicate most

| seen by a doctor since COVID started over a year ago. So we just want them to know that we are still here to serve them as best we can given you know the new regulations that we have. |
