

### Headshots

The creative department schedules regular days on each campus to take employee headshots. If you have a special request, please reach out to the creative team (see project request process below) to discuss details.

### Modern Campus Videos

Video requests can be made through the Creative team, see project request process below. If you already have a video you need to add to a page, please contact the digital department and we will be happy to assist you.

### Ticket to Digital Team for Website Assistance

Please Contact Creative Team for Graphic or Design Assistance

For services such as graphic design, print material design, photography or video, please fill out a project request form [in the Digital Strategy Team? Who To Contact](#)

IT tickets should be opened for issues related to your computer, software on your computer or access to Modern Campus or other TTUHSC applications. Digital tickets should be opened if you need assistance with a website project, support for an existing webpage, mass email or email list support.

### Faculty Profile Updates

Faculty profiles are contained in an application called Faculty Success (formerly called Digital Measures). Neither IT nor the digital strategy team have access t

## Physician Profile Updates

Please fill out a form for each TTP provider n
