Budget Increase Request - Miscellaneous Expenses Year: _____

Student Name

HSC ID Number R

Budget adjustments may be considered for educationally related expenses, or for expenses that directly impact the student's ability to continue his/her program of study. Increasing your financial aid budget may enable you to receive additional self-help aid (typically federal or private loans). This adjustment does not change your federal FAFSA data.

Check any of the following that apply to your expenses and submit all documentation (receipts, etc.)

Computer Purchase (may only be used one time in the entire academic program)

Amount Requested \$ _____

- Include documentation showing amount paid for purchase. Adjustment may be made for "reasonable" purchase (typically up to \$2000 unless additional documentation is provided showing necessity of other components for the program of study).

Medical or Dental Expenses (not covered or reimbursed by insurance)

Amount Requested \$ _____

- Include receipts, EOB's, or statements showing amount due or paid (not covered or reimbursed by insurance) or estimates for the expenses. Only expenses for the student or student's dependents can be submitted. Federal regulations do not allow spouse's expenses to be included.

Required Car or Home Repairs (not covered or reimbursed by insurance)

Amount Requested \$ _____

Professional Licensing Expenses

Amount Requested \$ _____

- Include documentation showing date of purchase and amount. Purchase must take place during your academic program. Amounts that are to be paid after your program of study has ended cannot be included .
