INTERNATIONAL EXPERIENCES THROUGH THE

This presentation is designed to inform healthcare professionals and students about opportunities for global healthcare relief through the Foundation for the International Medical Relief of Children (FIMRC.) FIMRC, founded in 2002, is a non-profit organization dedicated to improving pediatric and maternal health in the developing world through the implementation of innovative and self-sustainable health improvement programs. During this presentation, information about FIMRC, the TTUHSC School of Pharmacy chapter of FIMRC, and the first two medical mission trips taken by students and faculty of the SOP will be provided.
