*Rotations are 6-week, 240 hour experiences conducted in 8 blocks (2 Summer, 3 Fall, 3 Spring). Rotation site assigned by Experiential office for each block. See Academic Calendar for start and stop dates of each block. Also note Experiential office calendar for dates of "Back to Campus" days, falling on the last day of a rotation. On such occasions, all P4 students report to campus rather than rotation site. Please note that lunch breaks are at the discretion of the preceptor.
