Witnesses are permitted to attend the Student Conduct Board Hearing only during the time they are providing testimony, they are being questioned by the complainant, the accused or the committee unless the Student Conduct Board Chair, in his/her sole discretion determines otherwise.

i. *Parties Witnesses.* The Complainant and the Accused Student may arrange for witnesses to present pertinent information to the Student Conduct Board. The Complainant and the Accused Student are responsible for arranging for the voluntary attendance of his or her own witnesses.

ii. *Board Witnesses.* In its sole discretion, the Student Conduct Board may call other witnesses not identified by the Accused Student or the Complainant. No decision shall be based solely on the failure of the Accused Student to attend the hearing or answer the charges.

n. *Findings and Recommendations.* The Chair is responsible to prepare the Student Conduct Board's Findings and Recommendations in writing. PART III. WITHDRAWAL OF CONSENT

**PART IV. ANTI-DISCRIMINATION and
SEXUAL MISCONDUCT POLICY and

A. Introduction

The University is committed to providing and strengthening an educational, working, and living environment where students, faculty, staff, and visitors are free from any form of unlawful discrimination, including sex/gender discrimination. The University

d. Although students eligible for amnesty may avoid disciplinary action under these amnesty provisions, amnesty does not preclude the University from encouraging students to participate in directives such as counseling or educational opportunities relating to the conduct students were engaged in.

e. Abuse of these amnesty provisions by a student may result in a violation of this Student Handbook. The amnesty provisions do not impact criminal proceedings or charges, mandatory reporting to state licensing boards, legal actions, or actions required to comply with professional ethic requirements.

3. Sexual Harassment, Sexual Assault, Sexual Misconduct and Title IX Complaint Process Involving Students or Student Organizations

These complaint provisions shall apply to Sexual Misconduct that occurs on University premises, at University sponsored activities, or off-campus if it occurred in the context of an educational program or activity of the University or if there is a hostile environment on campus resulting from the off-campus activity. Additionally, these provisions may also be applied to behavior conducted online, via email, or other electronic medium. Students should be aware that online postings such as blogs, web postings, chats, and social networking sites may be in the public sphere, may not be private, and could subject a student to complaints of conduct violations. The University does not regularly search for this information but may take action if and when such information is brought to the attention of the University.

All complaint investigations and procedures are entirely administrative in nature and are not considered legal proceedings. Additionally, mediation will not be used to resolve complaints of Sexual Assault and Interpersonal Violence.

Each student shall be responsible for his/her conduct from the time of the application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. As such, these provisions of this Student Handbook shall apply to persons who withdraw after an alleged violation, who are not officially enrolled for a particular term but who have a continuing relationship with the University, or who have been notified of their acceptance.

In an effort to respond promptly and effectively to reports of Sexual Misconduct, the University attempts to resolve complaints within sixty (60) days' notice of the incident, not including appeal. However, this time period may vary depending on the complexity of the investigation, severity and nature of the alleged conduct, availability of individuals participating in the process, availability of evidence, delays for concurrent criminal investigations, breaks between academic semesters, and other delays.

a. Intake and Initial Inquiry

Upon receipt of a report of Sexual Misconduct, the Title IX Coordinator, or designee, will review the allegations. As reported allegations of Sexual Misconduct have varying degrees of complexity and severity, the investigation and resolution procedures described below may vary. The Title IX Coordinator will inquire, gather, and review information and will evaluate the accuracy, credibility, and sufficiency of the information received. If a formal complaint is not filed, the Title IX Coordinator may nonetheless conduct an investigation if the University learns of alleged Sexual Misconduct through other means depending on the source and nature of the information provided, the seriousness of the alleged incident, the specificity of the information, the objectivity and credibility of the source of the report, whether any individuals can be identified who were subjected to the alleged Sexual Misconduct, and whether those individuals want to pursue the matter.

The Title IX Coordinator may conduct an initial meeting with the Reporting Party to gather additional information regarding the allegation; inform him/her of on and off-campus resources, procedural options, and the University's

policy regarding retaliation; and to determine safety, security, or other interim measures. Additional meetings may be necessary depending on the complexity of the reported allegations.

Incidents will not be investigated unless there is reasonable cause to believe TTUHSC OP 51.03 has been violated. Reasonable cause includes some credible information to support a policy violation. If it is determined that an investigation will be conducted, the Responding Party will be given notice of the complaint and an opportunity to respond. If it is determined that an investigation will not be conducted, the Title IX Coordinator may contact the Responding Party to discuss the reported concern.

When a Reporting Party is reluctant, and/or refuses to participate in the investigation process, the Title IX Coordinator may investigate the allegations to the fullest extent possible given the information made available. The University will make every attempt to follow the wishes of the Reporting Party while protecting the University Community.

b. Informal Resolution

Prior to the formal investigative process, either the Reporting Party or the Responding Party may make a request, either orally or in writing, for informal resolution to the Title IX Coordinator. The Title IX Coordinator will assess the severity of the alleged harassment and the potential risk of a hostile environment for others in the University Community to determine whether informal resolution may be appropriate. Mediation will not be used to resolve complaints of Sexual Assault and Interpersonal Violence.

Upon determining that informal resolution is appropriate, the Title IX Coordinator will consult further with the person initiating the request, inform the other party, and gather additional relevant information from the parties and others as useful to assist in the informal resolution process. The Title IX Coordinator may also put in place any appropriate interim measures to protect the educational and work environment of the parties and the University Community.

The University will not compel the Reporting Party or Responding Party to engage in mediation, to directly confront the other party, or to participate in any particular form of informal resolution. Participation in informal resolution is voluntary, and the Reporting Party and Responding Party have the option to discontinue the informal process at any time and request a formal investigation. If at any point during the informal resolution process, the Reporting Party, the Responding Party, or the University wishes to cease the informal resolution process and to proceed through the formal resolution process, the informal resolution process will stop and the formal resolution process outlined in this Part IV, Section C(3)(c), of the Student Handbook below will proceed.

c. Investigation Process

If the Title IX Coordinator or designee conducts an investigation of the reported allegation, the investigation may consist of the review of the complaint, any relevant documentation, and interviews with relevant individuals. Each party will be given the opportunity to share information regarding the allegation, as well as any response to such, and identify witnesses and other relevant evidence. The extent of the investigation and its procedures will be determined by the Title IX Coordinator. During the investigative process, it is expected that the Reporting Party and the Responding Party will cooperate with the University in providing all information or evidence that they believe should be considered. Additionally, other administrators may be consulted to assist with the investigation.

Prior to an investigative interview, the Reporting and Responding Parties will be provided a student rights and responsibilities document to review and sign. The student rights and responsibilities document informs the student of his or her rights to be exercised before and during the course of the investigation and student conduct process.

through resolution. During this meeting, the Reporting Party and the Responding Party will be given the op-

witnesses, and questions for deliberation in the hearing. The hearing Officers may question the Title IX Coordinator, Title IX Investigator, Reporting Party, Responding Party and any witnesses. The Reporting Party and Responding Party do not have the right to question each other nor witnesses directly but may do so through the Title IX Coordinator. The Reporting Party and Responding Party have the right to add or make additional comments about the facts of the complaint. Should new evidence be presented without prior discussion with the Title IX Coordinator, the hearing may be halted to consider the inclusion of this information. Impact statements will also be halted if they are shared prior to the sanctioning phase of the hearing. In the event the Hearing Officers remove a student due to misconduct in the hearing process, the alleged misconduct in the hearing process will be forwarded to the appropriate student conduct administrator, who will follow the conduct process in Part II of this Student Handbook.

Following the hearing, the Hearing Officers will deliberate and will render a finding of responsible or not responsible for the Responding Party's alleged misconduct as well as decide any sanctions, conditions and/or restrictions if applicable. Any findings of the investigation will be based upon a preponderance of the evidence, which means more likely than not. The Hearing Officers will inform the Reporting Party and the Responding Party in writing within five (5) business days of their decision(s).

Either the Reporting Party or Responding Party may utilize the Appeal Procedures outlined in sub-section "f" below.

iii. Conduct Outcomes/Findings (Sanctions, Conditions, Restrictions)

In the event a Responding Party is found responsible for the alleged misconduct, the Hearing Officers may impose sanctions, conditions, and/or restrictions as described in Part II of this Student Handbook.

Records concerning a student or student organization related to the disciplinary process will remain on file with the Title IX Coordinator for a minimum of seven (7) years from the date the complaint is resolved.

f. Appeal Procedures

Either the Reporting Party or Responding Party may appeal the decision or the sanction(s), condition(s) and restriction(s) imposed by the Hearing Officers by submitting a written appeal to the Executive Vice President of Academic Affairs or his/her designee within five (5) business days of receiving the written decision. The appeal must clearly set forth the grounds for the appeal, together with the evidence upon which the appeal is based. A disagreement with the decision alone shall not constitute grounds for appeal. The only proper grounds for appeal and the only issues that may be considered on appeal are as follows:

- (1) A procedural [or substantive] error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.)
- (2) The discovery of new evidence, unavailable during the original hearing or review of the case, which could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included; or
- (3) The sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions.

The Executive Vice President of Academic Affairs will review the appeal to determine if the appeal is timely and

properly sets forth the appropriate grounds for appeal. If any of these requirements are not met, the appeal will be dismissed, and the original decision of the Hearing Officers will be final. If the grounds for an appeal are determined proper by the Executive Vice President of Academic Affairs, the Title IX Coordinator will provide the request for appeal to the other party and provide opportunity for response. Any responses must be provided to the Executive Vice President of Academic Affairs within five (5) business days after receiving a copy of the request for appeal.

The results of the appellate process as outlined below will be final.

If the Executive Vice President of Academic Affairs determines that a procedural [or substantive] error occurred that significantly impacted the outcome of the hearing, he/she may order a new hearing. If a new hearing is ordered, all hearing procedures in Part IV, Section C(3)(e), will be followed. The Hearing Officers will notify the Reporting Party and Responding Party of the outcome within five (5) business days of the decision of the Hearing Officers. The decision of the Hearing Officers is final and may not be appealed.

If the Executive Vice President of Academic Affairs determines that new evidence should be considered, he/she may return the complaint to the original Hearing Officers to reconsider the new evidence, or may order a new hearing. If new evidence is considered, the Hearing Officers may increase, decrease, or otherwise modify the findings, sanctions, conditions, and/or restrictions. The Hearing Officers will notify the student of the outcome within five (5) business days of their decision. The decision is final and may not be appealed. If a new hearing is ordered, all hearing procedures in Part IV, Section C(3)(e), will be followed. The Hearing Officers will notify the Reporting Party and Responding Party of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed.

If the Executive Vice President of Academic Affairs determines that the sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions, he/she may then increase, decrease or otherwise modify the sanctions, conditions, and/or restrictions instead of returning the case to the original Hearing Officers or ordering a new hearing. If the Executive Vice President of Academic Affairs makes a decision regarding the sanctions, conditions, and/or restrictions without returning the case to the original Hearing Officers, he/she will notify the student in writing of the outcome within five (5) business days of his/her decision. The decision of the Executive Vice President of Academic Affairs is final and cannot be appealed. If the Executive Vice President of Academic Affairs returns the case to the original Hearing Officers, the Hearing Officers may increase, decrease, or otherwise modify the findings, sanctions, conditions, and/or restrictions. The Hearing Officers or designee will notify the student of the outcome within five (5) business days of their decision. The decision is final and may not be appealed. If a new hearing is ordered, all hearing procedures in Part IV, Section C(3)(e), will be followed. The Hearing Officers will notify the Reporting Party and Responding Party of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed.

In those cases in which the error cannot be cured by the original Hearing Officers (i.e., some cases of bias), the Executive Vice President of Academic Affairs may order a new hearing with a new panel of Hearing Officers.

The Title IX Coordinator shall make all reasonable efforts to timely notify the Reporting Party and Responding Party of the status of the appeal throughout the appellate process.

g. Follow up

After the findings(s) and sanctions become final and all appeals, if any, are exhausted, the Reporting Party shall be advised that if the complained of activity persists, they should contact the Title IX Coordinator. Likewise, in the event the Reporting Party believes retaliation for filing a complaint has taken place, they should contact the Title

PART V. STUDENT RECORDS

A. General Policy

Policies and procedures concerning student records are based on respect for the privacy of the individual. To minimize the risk of improper disclosure, academic records are maintained separately from disciplinary records. (During the time of disciplinary suspension or expulsion, the notice is placed in the student's permanent file.) The conditions for access to each are set forth in the Student Handbook and complies with federal and state statutes and with registered student organization guidelines. The procedures set forth below apply to all persons formerly or currently enrolled at Texas Tech University Health Sciences Center.

B. Address of Record

Students must maintain an accurate permanent address with the Office of the Registrar. The address is used for official notifications including billing and notification of official university requirements. Students should maintain a current local address and telephone number that is used by university officials, and/or student organizations and the campus community.

C. Student Access to Educational Records

All current and former students of the university have the right to access their educational records as provided by law.

Notification of Rights under FERPA for Postsecondary Institutions The Family Educational Rights and Privacy ACT (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Texas Tech University Health Sciences Center receives a request for access. A student should submit to the Office of the Registrar a request by completing and submitting HSC OP 77.13 Attachment B that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- a. Generally if the Education Record is covered under FERPA, the student may inspect or review the education record at the Office of the Registrar, but does not have the right to receive copies of the education record unless a student is effectively prevented from onsite inspection or review of his/her education record. The student may then have a right to receive copies of the education record at the student's expense after evaluation of the circumstances by the Office of the Registrar.

- b. Official copies of academic records or transcripts will not be released for students who have a delinquent or unpaid financial obligation to the University, have a "hold" at the University, or have an unresolved disciplinary action pending at the University, provided that applicable law does not otherwise require disclosure of the records.

2. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Texas Tech University Health Sciences Center in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or con-

tractor outside of the Texas Tech University Health Sciences Center who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the Texas Tech University Health Sciences Center.

3. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Texas Tech University Health Sciences Center to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Center
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

4. A student may waive the right of access to confidential letters of recommendation in the areas of admissions, job placement and receipt of awards.

5. Personally identifiable information such as rank in class, personal conduct, grade point average, academic progress, etc., shall not be released to non-authorized personnel without the written consent of the student.

D. Records Not Accessible to Students

The following are records not accessible to students:

1. Records of instructional, administrative and educational personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;
2. Records of the Texas Tech Police Department, subject to the provisions of 34 C.F.R. 99.8;
3. Records relating solely to an employee of TTUHSC in his/her capacity as an employee that are not available for any other purpose, unless the Student is employed as a result of his/her status as a Student;
4. Student medical and counseling records created, maintained, and/or used only in connection with providing medical treatment or counseling to the Student, that are not disclosed to anyone other than the individuals providing the treatment; and
5. Alumni records or other records that contain information about an individual after he/she is no longer a Student at that agency or institution (e.g., information gathered on the accomplishments of alumni).

e. Within seven (7) business days after the conclusion of the hearing, the hearing officer or chair of the hearing committee, if applicable, will transmit the decision in writing to the Student, the Office of the Registrar, and the EVPAA or designee. The decision must include a summary of the evidence and the reasons for the decision. If, as a result of the hearing, the hearing official or committee determines that the information in the Education Record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the Student, the Student will be notified of the right to place a statement in the record contesting the information in the record or stating why the Student disagrees with the decision of the agency or institution, or both. Any statement provided by the Student shall be maintained with the contested portion of the record for as long as the record is maintained. In the event the contested portion of the record is later requested, the statement shall be disclosed with the record to the extent it pertains to the contested portion.

Medical and Religious Exemptions

2010-2011 Texas Vaccine Exemption Information

The state of Texas in law grants and acknowledges the right of parents to exempt their children from vaccination requirements for day care, school, and college for reasons of conscience including a religious belief or for medical reasons. In 2003, the Texas legislature passed changes to the statutes expanding the reasons a parent can claim an exemption but the Health Department has questionably also increased the bureaucratic red tape necessary for claiming the exemption. There are specific procedures for requesting an official state form and submitting it to the school or for completing a medical exemption that all take some time so please don't wait until the last minute to get your papers in order.

For everyone claiming an exemption for the first time after 9/1/03, you must comply with the new law. If you've submitted an old religious exemption prior to 9/1/03, you are grandfathered under the old law (see notes below) and do not need a new form. The vaccine exemption forms for reasons of conscience including a religious belief are only for students claiming a vaccine exemption for the first time after 9/1/03 when the new law went into effect. If you need to request forms from the state health department, you can do it by fax, mail, personal visit, or through an online submission form. If you send your request by mail, we suggest sending it registered mail with a receipt so you can keep track of your request. If you send it by fax, set your fax machine to print out a delivery receipt. We would like to keep track of the Health Department's processing time.

According to the Texas Dept. of State Health Services: Online requests must be made through the web submission form posted at <https://corequest.dshs.texas.gov/>.

8. Required Immunizations

In order to protect the health of our students and the health of the patients with whom they come in contact, TTUHSC requires **all entering students** to provide documentation of all immunizations as listed below. Immunization requirements are based on regulations, guidelines and recommendations available as of October, 2012 from the Texas Administrative Code (TAC), Texas Department of State Health Services (DSHS), the U.S. Centers for Disease Control and Prevention (CDC), and the U.S. Advisory Committee for Immunization Practices (ACIP). The meningitis requirement must be sent in immediately and all other requirements must be met prior to orientation. The student is responsible for all associated costs.

11. Working with Affiliated Entities-Student Drug Screenings, HSC OP 77.15

a. Defined Terms

For purposes of this policy the term "Student" does not include residents in the Schools of Medicine or School of Pharmacy.

b. Background

I. TTUHSC enters into affiliation agreements with various health care clinical entities ("Affiliated Entities"), such as hospitals and other facilities, in order to provide clinical experience opportunities for its students enrolled in TTUHSC clinical education programs.

II. Affiliated Entities may establish more stringent standards for students who wish to do a clinical rotation at the affiliated entity, than those required by TTUHSC as part of its admission process. Affiliated Entities may require students, among other things, to undergo and satisfactorily pass additional background checks and/or drug screenings as a pre-requisite to participating in a clinical rotation at the Affiliated Entity.

III. Clinical rotations are an essential element in certain degree programs' curricula. Students who cannot participate in clinical rotations due to a positive drug screening may be unable to fulfill the requirements of a degree program. TTUHSC schools may NOT mandate this requirement for all students. It applies solely to those students who must fulfill the requirement for participation in a clinical rotation at an Affiliated Entity.

c. Clinical Placement.

I. Placements at Affiliated Entities for clinical rotations will be based on the learning objectives as defined by each program consistent with the learning objectives of each student. Determination of unacceptable results of a drug screening will be made by the Affiliated Entity. Any student placed with an Affiliated Entity that requires additional background checks and/or drug screens, who cannot meet these requirements, must discuss all available options with their School's Office of Student Affairs or their designee.

II. Affiliated entities may conduct their own drug screening. If the student fails the drug test and is consequently denied externship placement, s/he shall be subject to disciplinary action in accordance with the TTUHSC policies.

d. Responsibility of the School

The student's School shall:

I. Notify the student of the Affiliated Entity's requirements for a drug screen, to include the type(s) of drug screen required by the Affiliated Entity, deadlines to meet the Affiliated Entity's requirements, a list of approved drug screen testing vendors, and a completed Authorization, Attachment "A," for signature by the student.

II. Receive the student's drug screen test results, which shall be maintained in a confidential, locked file separate from the student's primary educational records.

III. Notify and ensure the Affiliated Entity that all students prior to their clinical rotation have met their drug screening requirements.

e. Responsibility of the Student

I. The student shall pay for the cost of any and all drug screening required by an Affiliated Entity that is designated for student matriculation by TTUHSC provided articles b, c, d, below are met. The student shall be responsible for the cost of any necessary re-test or subsequent tests at TTUHSC designated Affiliated Entity(s) and any drug screening required by an Affiliated Entity selected for matriculation by the student.

II. The student shall complete the drug screen prior to the deadlines provided by the School and meet the guidelines of the Affiliated Entity. Failure to complete the drug test prior to the deadlines may result in an additional expense to the student, and/or delay in, or denial of, rotation in the Affiliated Entity.

III. The student shall use a drug screen vendor from the designated vendors provided to the student by his/her School and/or the Affiliated Entity. 1) Results from a vendor NOT on designated by the School and/or Affiliated Entity will not be accepted and the student shall be required to have the drug screening test(s) conducted by an approved vendor.

IV. The student will be required to sign a valid consent and authorization, Attachment "A," consenting to the drug screening and giving the vendor performing the test permission to provide the drug screen test results to the person designated by the School to receive student drug screen tests results under this policy.

f. Student Refusal to Consent to Drug Screen

Any student who fails or refuses to consent to a drug screen required by an Affiliated Entity to which the student has been assigned by his/her School shall be subject to disciplinary action in accordance with the TTUHSC Student Handbook/Code of Professional and Academic Conduct, the Schools' written policies, if any, and this policy.

g. Period of Validity – Drug Screen Results

I. Unless otherwise required by an Affiliated Entity, drug screen test results will generally be valid for the time the student is in the program within the School unless there is a break in enrollment, defined as not enrolled for one full semester.

II. Students may be required to undergo drug screening more than once depending on the requirements of each Affiliated Entity in which the student is placed to meet their learning objectives or the number of Affiliated Entities at which the student is placed.

h. Drug Screen Results

I. Diluted Specimen. Should the vendor report that the screening specimen was diluted, thereby precluding an accurate drug screen test, the student, at his/her expense, will be required to complete and successfully pass a new drug screen test.

II. Negative Drug Screen Results. The School which receives the a student's drug screen test results, may release negative drug screen test results to the student, provided the student has signed the appropriate release form, Attachment A.

III. Positive Drug Screen Results.

1) A positive drug screen is any instance in which a drug screen report shows a positive test for one or more

of the drugs on the panel required by the Affiliated Entity.

2) Any student with a positive drug screen will not be placed in any clinical facility pending review and outcome of appeal with the vendor.

3) The student has the right, at his/her expense, to request an independent review of any positive drug screen, by an independent Medical Review Officer, provided by the vendor. There will be an additional charge if review by the Medical Review Officer is requested, and the student is responsible for all costs related to this review.

4) Any appeal based on a positive drug screen is solely between the student, the Medical Review Officer and the vendor. The student's School will not become involved in the appeal of a positive drug screen.

5) If, after review by the independent Medical Review Officer, there is no valid medical basis which would cause or contribute to the positive drug screen, the test results will stand, at which point the student will be referred to the School's Office of Student Affairs for disciplinary action in accordance with this policy and the School's written policies.

i. Confidentiality of Records

I. Drug screening reports and all records pertaining to the results are considered confidential information with restricted access to the extent allowed by law.

j. Re-admission

I. Any student who is withdrawn due to a positive drug screen without medical validation will only be eligible for

with a disability shall be denied access to or participation in services, programs and activities of TTUHSC solely on the basis of the disability.

Students with grievances related to discrimination on the basis of a disability should review the Student Handbook, Part IV* Anti-Discrimination. The grievance process would include the Director of Student Disability Services. Any student seeking accommodations on the basis of disability must apply for services as a qualified student with the Office of Student Disability Services and provide supporting documentation of a disability. For more information, visit www.ttuhs.edu/administration/documents/ops/op77/op7714.pdf.

14. Discrimination/Equal Opportunity

No person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under any program or activity sponsored by TTUHSC on any basis prohibited by applicable law, including but not limited to, race, color, national origin, religion, sex, veteran status or disability. Grievances related to discrimination on the basis of race, religion, national origin or age should be pursued through regular administrative channels. Academic problems are to be handled in the academic administrative structure culminating in review by the individual School's Dean. The individual Schools as noted in their Schools' catalogs should direct non-academic student matters to the Office of Student Services. For more information, visit <https://www.ttuhs.edu/hsc/op/op51/op5101.pdf>, *Equal Employment Opportunity Policy and Affirmative Action Plan*.

15. Employment Grievance

A student wishing to pursue a grievance concerning employment with the University and who has not found satisfaction or resolution with his or her immediate supervisor or the person in charge of that department may contact the Office of Equal Employment Opportunity in accordance with the grievance procedures outlined in the TTUHSC OP 70.10, *Non-faculty Employee Complaint and Grievance Procedures*. The procedures manual may be reviewed in the Office of Equal Employment Opportunity.

16. Exams

Please refer to the individual School's catalogs for more specific exam details relating to your program. Any student seeking exam accommodations on the basis of disability must apply for services as a qualified student with the Office of Student Disability Services and must provide supporting documentation of disability. Appropriate and reasonable accommodations, if any, will be determined by the Office of Student Disability Services.

17. Financial Policies

Students must meet all financial responsibilities due the University. The writing of checks on accounts with insufficient funds, the non-payment or delinquent payment of outstanding loans, and failure to meet any other financial obligations to the University, are considered a lack of financial responsibility. Financial irresponsibility can subject the student to action by TTUHSC, including, but not limited to, denial of registration, withholding of grades and transcripts and possible adjudication under the Code of Professional and Academic Conduct. In addition, failure to meet financial obligations to the University may result in:

- a. Cancellations of the student's registration if tuition and registration fees are not paid by the 12th class day and 20th class day (4th class day and 15th class day in summer), or if a returned check given in payment of tuition and fees is not redeemed by that time;

- b. Loss of University check writing privileges and possible criminal prosecution for writing insufficient fund checks and for failure to pick up a returned check;
- c. A flag placed on a student's academic records preventing future registration (before registering or requesting a transcript, students may check on the presence of flags on their records by contacting the Office of the Registrar); and/or,
- d. Reporting of financial problems to a credit agency or a collection agent.

18. Grades/Grading

- a. The instructor assigned to a course has the responsibility for determining a grade and for judging the quality of academic performance.

23. Program of Assistance for Students

Personal counseling services are available to all TTUHSC students through the Program of Assistance for Students (PAS). Through the PAS, licensed counselors are available to assist students with all types of problems, including stress associated with academic, legal, or financial concerns; depression, anxiety, and/or other emotional problems; family and relationship issues; alcohol and drug abuse; and other mental health and wellness issues. Through PAS, TTUHSC students and their dependents are eligible to receive five free counseling sessions per year. Additional information about PAS services is published in a brochure that is available from student affairs personnel on all campuses and is also posted on the Office of Student Services website at the following address: www.ttuhs.edu/student-services/documents/PAS_Document.pdf.

 - b. To be eligible for registration, the student must have been officially admitted as a new student, or officially readmitted following an absence, and must have satisfied all admission requirements, or must be a continuing student who is eligible to continue as a student at the University. Any student deemed ineligible due to academic, administrative or disciplinary sanction will be barred from registration. a. A student who intends to observe a Religious Holy Day should provide written notice, at the earliest possible date prior to the absence, to the following: (1) the instructor of each affected class and (2) the Director of Student Affairs of his/her School. A student will be excused from attending class(es), examinations, or other required activities for the observance of a Religious Holy Day, including travel for that purpose. A student whose absence is excused under this section will be allowed to take an examination or complete an assignment within a reasonable time and at the sole discretion of the instructor of record and/or the Director of Student Affairs before or after the absence.

b. A student who is excused under the above provision may not be penalized for the absence; however, the instructor may appropriately respond if the student fails to satisfactorily complete the missed assignment or examination within the above-stated time.

c. Any disputes regarding this policy should be submitted in writing to the TTUHSC President or his/her designee. Any decision by the President or his/her designee regarding the dispute shall be final.

Agreement each semester.

c. TTUHSC is authorized to establish payment due dates in advance of the beginning of a semester and prior to the sixth and eleventh class weeks respectively so that required payments have been received and student records have been appropriately updated on the dates required by law.

d. If a student elects to pay tuition and fees using the payment alternative, he or she shall be assessed an installment option fee in addition to the required payment of tuition and fees. The fee developed and recommended for approval shall reflect all costs incurred in operating and handling payments under the installment alternative. The rates of the fee shall be approved by the Board of Regents.

e. If a student who has elected to pay tuition by installment fails to pay in full all amounts of tuition, other registration fees, installment option fee, late payment fees, and other authorized fees by the end of the business day of the last day of the semester, then he or she will be dropped from School for failure to pay.

f. TTUHSC shall develop procedures so that students are notified of the requirements, provisions, and penalties of the installment payment options.

g. Bi-annual approval of tuition and fees by the Board of Regents shall approve the assessment and collection of fees from Texas Tech University Health Sciences Center (TTUHSC) and Texas Tech University (TTU) students. Institutional Refund Policy

Refund Policies for Tuition and Fees. Texas Education Code, Section 54.006, provides the amount of tuition and fees to be refunded to students who drop courses or withdraw from the institution. Class day count is based on the official institution calendar for the school, not the specific course dates.

Students who drop a course, but remain enrolled at the institution will be refunded at the following rate:

--	--	--

Students who withdraw from the institution (zero semester credit hours) are required to pay tuition and fees according to the following schedule based on their official withdrawal date:

Students who withdraw from TTUHSC or drop all courses during a term that receive(d) financial aid.

It's important for students who receive financial aid and withdraw or drop all courses during the term to be aware of the refund policies and to understand the impact they will have on the aid released and the continued financial aid eligibility. Current refund policies for students who withdraw or drop all courses during a term are determined by the Higher Education Title IV refund regulations.

Federal Refund and Repayment calculations must be performed for students who receive Title IV (Pell, FSEOG, Perkins and/or Stafford Loans) funds and officially withdraw from all courses, drop out of all courses, are expelled, take an unapproved leave of absence, or fail to return from an approved leave of absence prior to the 60% date of the term. All "unearned aid" must be returned to the federal aid programs as determined by the Federal Refund and Repayment calculations.

- a. The requirements for Title IV program funds are separate from the university refund policy. As such, you are responsible for unpaid institutional charges remaining after the refund calculation. You are also responsible for charges/balances created by the returning of Title IV program funds that the school was required to return.
- b. If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID(1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

In order to keep all the financial aid issued in each term, students must be enrollment for at least 60% of the term. After this point in the term students have earned 100% of the Title IV funds released for the term. Therefore, it is in your best interest

to maintain attendance and complete at least one class each term that you receive federal aid to avoid repayment of funds

How the calculation works:

1) Number of days attended ÷ Days in semester = % of semester completed

2) Total \$ disbursed X % completed = Earned \$

3) Total \$ disbursed - Earned \$ = \$ to be returned

Once it is determined that you owe money back to any of the federal aid programs, you will be ineligible to receive further federal aid at TTUHSC or any other institution, until this debt is cleared.

To remain eligible for financial aid, a student must maintain satisfactory academic progress. This consists of two categories: (1) grade point average on hours attempted (qualitative) and (2) hours successfully completed (quantitative) based on hours enrolled. As a general rule, a student must successfully pass 67% of the hours they attempt (hours as of the census date). You can find more information here: <http://www.ttuhs.edu/financial-aid/faq.aspx>

**PART XI. STUDENT COMPLAINT OR
GRIEVANCE POLICIES AND
PROCEDURES**

G. Other Institutional-Level Student Complaint Procedures

The procedures defined below apply to student complaints that fall outside the scope of other institutional and school-based policies and procedures governing specific types of student complaints (Student Complaint or Grievance Policies and Procedures), including, for example, student complaints against staff members employed at the institutional level or against TTUHSC administrators. The TTUHSC Office of Student Services will administer this institutional policy and will insure that due process is afforded to all concerned.

1. Early Resolution

Prior to contacting the TTUHSC Office of Student Services, the student shall attempt to resolve the issue with the individual(s) involved. If the student is not satisfied with the outcome after meeting with the individual or does not feel comfortable talking to the administrator or staff member involved, the student may contact the Assistant Vice President for Student Services. The student shall address the issue and initiate action under this policy within 30 days of the event-giving rise to the complaint.

2. The Assistant Vice President for Student Services may counsel the student to discuss the issue with the involved administrator or staff member. If the student does not feel comfortable talking to the person involved, the Assistant Vice President of Student Services will investigate the complaint, attempt to reconcile differences, and propose a solution. The Assistant Vice President for Student Services will provide a written statement of his or her recommendation to all parties within ten working days following the initial receipt of the student's report of the complaint. All involved parties will then have ten working days to respond. Every effort should be made to resolve the issue without going beyond this level. The Assistant Vice President of Student Services will attempt to facilitate a resolution before proceeding with a hearing, as described below. (If the complaint is against the Assistant Vice President for Student Services, the student should meet with the Executive Vice President for Academic Affairs, who will follow the procedures outlined here.)

3. Filing a Hearing Request

If the student is not satisfied with the recommendation of the Assistant Vice President for Student Services, he/ she may file a request for a hearing by submitting a written complaint to the Assistant Vice President for Student Services. The hearing request must include a specific statement of the student's complaint, an explanation of what remedy the student seeks, and a copy of the Assistant Vice President for Student Services' recommended resolution.

If the student files a request for a hearing, a Student Hearing Committee as defined below must convene within 15 working days.

4. Hearing Procedure

Upon receipt of a written request for a hearing, the Assistant Vice President for Student Services will appoint a Hearing Committee according to the following procedure:

a. Each party will propose in writing a list of four TTUHSC faculty, staff, and/or students to serve on the Hearing Committee. The Assistant Vice President for Student Services will contact one person from each list in order of the submitting party's preference to determine the person's willingness to serve. Through this process, one person will be selected from each list. The two people selected will then select a third member (a TTUHSC faculty or staff member) and these individuals will comprise the Hearing Committee. This group will select a chair from among themselves.

b. The Assistant Vice President for Student Services will provide technical assistance and support to this committee.

c. As soon as the hearing is scheduled, the chair of the Hearing Committee will send a written notice to all involved parties. The notice will specify the time, place, and nature of the hearing, plus a brief description of the complaint. The notice will also confirm the right of all involved parties to present witnesses and evidence and to be accompanied by counsel for advisory purposes only.

d. At least three days prior to the hearing, all parties will provide to the chair of the Hearing Committee and the Assistant Vice President for Student Services a list of the names of any witnesses or counsel who will attend the hearing. If the student will be represented by counsel, the University may be represented by the Office of General Counsel. The student and the involved individuals(s) shall have access to all information to be considered by the Hearing Committee, including the names of all persons giving evidence.

e. The student and the involved parties shall attend the hearing and be offered an opportunity to state their positions and present testimony and other evidence relevant to the case. The responsibility of establishing the validity of the complaint rests with the student.

f. The Hearing Committee chair may keep a recording of the hearing, which shall include date, time, and location of the hearing, names of those present, and any evidence introduced (e.g., records, written testimony, duplicated materials).

5. *Committee Decision*

a. After completion of the hearing, the Hearing Committee shall meet in closed session and prepare a written recommendation. Copies of the Hearing Committee chair's report shall be forwarded to the involved parties within five working days.

b. The appeal must be made, in writing, within three working days, to the Executive Vice President for Academic Affairs.

c. The Executive Vice President for Academic Affairs will review the complaint resolution and render a decision within five working days. The decision of the Executive Vice President for Academic Affairs is final.

d. If the Executive Vice President for Academic Affairs is serving as a mediator in the case, then the President or his designee will review the complaint resolution and render a decision within five working days. The decision of the President is final.

6. Complaint Forms

It is the policy of the Texas Tech University Health Sciences Center to affirm the right of its students to a prompt and fair resolution of a complaint or grievance involving allegations of inappropriate behavior by other TTUHSC students or by TTUHSC personnel towards students. Policies and procedures for student complaints can be found in the TTUHSC Student Handbook (http://www.ttuhscc.edu/student-services/documents/HSC_Institutional_Student_Handbook.pdf).
