## Eligibility

The Texas Tech Physicians Family & Community Medicine clinic provides health services to TTUHSC students who are currently enrolled and have paid the Student Health Fees as part of tuition and fees. To receive health services, you must present a Student ID card at the time of the appointment. If you also have private insurance in addition to Student Health Services, you will need to submit your receipt for the co-pay to your insurance company for reimbursement.

*The Student Health Fee covers only those services provided by the Family & Community Medicine clinic and specific laboratory and radiology service performed at cooperating locations. All other charges incurred are your responsibility.*

## Clinic Appointments

Please call to make an appointment. If you need to be seen for a sudden illness, please call that day as early as possible.

If you need to be seen after clinic hours, call your campus' clinic phone number and ask to leave a message for the on-call physician.

When you check in, please inform the receptionist that you are a TTUHSC student. If you come to the clinic without an appointment, it may be necessary for you to wait for a physician.

Immunizations, paper work, and routine procedures are not ordinarily considered urgent care, and may not be taken care of on the same day as requested.

## Staff

The medical staff of the Texas Tech Physicians Family & Community Medicine clinic is composed of faculty and resident physicians and a nursing staff.

## Emergencies

If you have a health emergency that requires you to be seen at a hospital emergency room, go to the hospital listed for your campus under "Clinic Locations." *Visits to an emergency room that generate a charge from either TTUHSC or the hospital are your responsibility.*

## Fees

Effective 9/1/2007, TTUHSC students are required to pay the following fees:

Physician Visit.....	\$10
Physician Visit with Pap Test and/or STD* testing.....	\$25
*testing for chlamydia, gonorrhea or syphilis
