

**Texas Tech Health Sciences Center
Student Senate Resolution
Support U.S. Troops in Iraq**

Whereas, brave men and women of the United States Armed Forces are currently serving in Operation Iraqi Freedom in the Middle East,

Whereas, these soldiers, sailors, marines, and airmen joined the military of their own free will and out of love for our Country,

Whereas, these men and women are fighting to defend freedom and the very way of life we are privileged to experience on a daily basis,

Whereas, some deployed members of the Air Force, Army, Navy, and Marines have been, and will be, forced to make the Supreme Sacrifice in defense of Freedom,

Therefore, be it resolved that the TTHUSSC Student Senate wishes to stand with the families of these brave men and women, and express our gratitude for their willingness to serve in the Armed Forces of the United State of America, and especially for the bravery, courage, and patriotism they have all demonstrated in Operation Iraqi Freedom.
